

# GALA DAY 2025 EDITION

## Port Vincent Gala Day 2025: A Spectacular Success!

The Port Vincent Gala Day 2025 was a resounding success, drawing large crowds to celebrate the vibrant community spirit of our beautiful town. Families, friends, and visitors flocked to the event, creating an atmosphere brimming with joy, laughter, and excitement.

The day was packed with something for everyone, starting with a bustling array of market stalls showcasing local talent. Amusements and rides kept children entertained for hours, while live music from the talented JR Acoustic and Shiny Moon Entertainment filled the air with energy and rhythm.

This event would not have been possible without the tireless efforts of our dedicated volunteers. Their hard work, enthusiasm, and commitment to making the Gala Day a memorable occasion deserve heartfelt recognition. From the early morning setting up, to ensuring the many jobs to ensure the event ran smoothly, these individuals and community groups are the true heroes behind the scenes.

A special thanks also goes to the generous sponsors of the Port Vincent Gala Day and Ignite the Night committees. A special thanks to our Platinum Sponsors - we hope you enjoyed our VIP tent on the night. Your invaluable support helped bring this vision to life, providing the resources needed to create an event that celebrated our wonderful Port Vincent community.

As the sun set, the festivities seamlessly transitioned into Ignite the Night, capping off the day with a spectacular firework display that left everyone in awe. Once again, thanks to Tom Skipper and his generous sponsors for their contributions. The 2025 Gala Day was truly a testament to the strength and unity of the Port Vincent community. Here's to another year of success and camaraderie!

Once again, we are seeking feedback to ensure we continue to make Gala Day memorable day. Please complete the quiz with the following link <https://forms.gle/yvm7g4xBVwv4cbQ78> or email [events@portvincent.org.au](mailto:events@portvincent.org.au)

Our committee would like to convey our condolences to John Francis on the passing of Glenys. Our thoughts are with you at this sad time. Glenys will be sadly missed in our community.

## **Christmas Lolly Run**

On the 19<sup>th</sup> of December, Father Christmas delighted the children of Port Vincent with a quick visit to our town. The town's CFS truck was his mode of transport, and with his helpers, he gave out bags of lollies to the eager children waiting on the footpath. This was a great start to the festive season for everyone involved.

It is great to see that many of the residents decorated their houses and front yards with lights and Christmas themes this year, and a few entered the light competition. The results are on page 6.

## **Where is the Pontoon?**

For over 50 years, the pontoon has been positioned in the bay for the warmer months. In December, when the pontoon was due to be placed in the water, we were informed that insurance for all these structures was going to be denied. After consultation with other Progress Associations and the YP Council, and no immediate resolution, we had to make the decision not to put the pontoon back in the water for the holidays.

SA Vacswim was informed about the decision, and has been able to cover the insurance for all the pontoons that they rely on, but just for the week of swimming lessons. This means the children will have full use of the pontoon between the 5<sup>th</sup> and the 11<sup>th</sup> January. Meanwhile, we continue to work with YP Council to look at the options for the pontoon, and hopefully will be able to return it to the bay at some stage.

## **Bringing in the New Year - GALA DAY**

WOW, what an amazing day! Thanks go to our fantastic team who have been working on Gala Day for the past 12 months. This day is the culmination of many hours of work for a small committee who wanted to make sure it was an all age inclusive event. Well, they certainly achieved their goal - well done. We also thank the community for their feedback as this helps to shape the event for next year.

## **THE YEAR AHEAD**

We look forward to continuing to work towards our community goals in 2025 and thank all our volunteers for their time and support.

**We would like to take this opportunity to wish everyone a Happy and Safe New Year**

This was met with great enthusiasm from the children as well as the adults.

**Special thanks to the hard working volunteers of Port Vincent CFS for decorating the CFS appliance, Port Vincent Progress Association, Port Vincent Foreshore Caravan Park and the Port Vincent Memorial Bowling Club for the donation of lollies.**

## Thank you to everyone who contributed to this year's Port Vincent Christmas Carols

In past years we had the amazing musical expertise of Jan Thomson, but her husband Duncan's ill health necessitated them moving to be close to family. Dave Phillips, of Ardrossan, came to our rescue just prior to our 2022 carols. We also had Perry Woodward on guitar and Colin Davey on drums, but with Perry not available, and an advert for a pianist bringing no results, another alternative for music to accompany carol singing had to be found. Who could record the much-needed music who would also be available on Carols' night to play it? Added to that, our chorister numbers have dwindled over the years, leaving us with no sopranos to lead the main melody.

Thank you, Sue Hall, for pushing me to make carols happen this year. But that discussion only came about at the end of November due to our contact re my article on the Craigie Graves for A Focal Point. During that conversation, Sue asked me about an advert to go in for carols. When I told her carols couldn't happen without music, she persisted. So, I then gave her a gentle nudge to take on the role of locating and recording suitable backing music for each song; and she mastered it brilliantly! With all the other commitments we each personally had, who would have thought we could achieve all that was needed in just 2 weeks?

*But - the event still couldn't have happened without the help of others.*

**Sue Milne** – you are amazing to have at the door – you are such a nurturing soul and always know how to ensure that everyone has what they need and feels comfortable. And thank you too, for taking a few photos during the event.

**John Buttfeld** – thank you for taking the banner to Maitland to have the date changed, then attaching it to the seafront fence.

**Natasha** – thank you for lending Sue H. the extra-long HDMI cable so she didn't have to be in the out-of-the-way corner off stage next to all the electrical equipment. Not a good place to be in hot weather.

**Greg Hall** – thank you for delivering and retrieving the table and other requirements.

**Colin and Jill Davey** – thank you for your help with packing up at the end of the evening.

And thank you especially to all the people who came to support the event. Without you, our efforts would have been futile. It was wonderful to have the Institute filled with the sound of all your voices singing those traditional carols, ending with John Lennon's 'So This is Christmas/War is Over', and 'Aussie Jingle Bells'. Your singing was amazing and uplifting. Thank you for your support and kind feedback. Singing is such a feel-good thing to do, so good for the soul.

Donations totalled \$94. This has been sent to Royal Flying Doctor Service, as has been our tradition.

## **Do you notice anything missing along the coastline of Munro's Cliff Top Walking trail?**

How fortunate we are to have such great support from our local Yorke Peninsula Council who will assign work crews to finish carrying out these tasks when time is available.

Anyone notice numerous car tyre collars currently choking trees at Vincent Rise Walking Trail & Munro's Picnic Areas? Council has these tasks on their 'to do' list to remove them when time permits (Hopefully a better approach to establishing young plantings are in practice these days).

Incidentally, this year Council work crews have also disposed of a pile of rubbish accumulated over years of neglect at Munro's Picnic areas, where a great deal more work is required.

## **Thank you kindly, Council for continuing to making a difference to our town!**

## Canine Parvovirus

As there is an increased number of Parvovirus cases in recent weeks, we wanted to give you some information regarding this scary virus.

### **What is canine parvovirus?**

Parvovirus or canine parvovirus (commonly known as parvo) is a very contagious virus that affects unvaccinated/partially vaccinated dogs, with puppies at the greatest risk.

### **How does it affect our dogs?**

Parvo causes severe vomiting and diarrhoea, often containing blood as it attacks the small intestine. The vomiting and diarrhoea causes severe dehydration, shock and death. It also attacks the bone marrow, damaging it, so they can no longer make enough white blood cells to fight off the infection, adding to the severity.

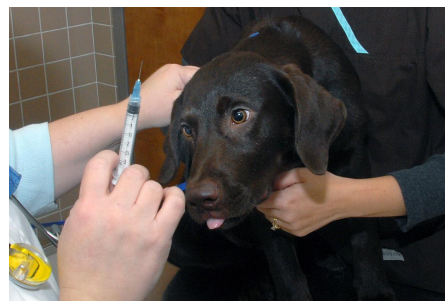

### **How do they become affected?**

Parvo is highly contagious and can live in the environment for long periods of time. It can be resistant to routine cleaning and weather changes. It is shed in the faeces of infected dogs and can easily come into contact when your dog is sniffing the ground on walks. Direct dog-to-dog contact is not required for a dog to become infected and for the infection to spread. It is easily transferable from the ground to people's shoes, dog's paws and bedding, etc.

### **What are the symptoms?**

Gastrointestinal symptoms are the most obvious signs, which include:-

- Loss of appetite
- Vomiting
- Diarrhea (which may contain blood)
- Fever or low body temperature
- Lethargy
- Abdominal pain and bloating

### **How to protect your pet?**

*Vaccinations are the only way to protect your pet from contracting parvo.* Annual vaccinations (or tri-annual) are required to keep your pet up to date. Puppies require 3 vaccinations to be full covered. The schedule is as follows:-

1<sup>st</sup> vaccination 6-8 weeks, 2<sup>nd</sup> vaccination 10- 12 weeks, 3<sup>rd</sup> (final) 14-16 weeks.

Puppies are not fully covered until 2 weeks after their final vaccination. We recommend to wait until then before socialising in public areas, parks, beaches, etc, and also with dogs with an unknown vaccination status.

Parvo is a very severe infection and can be fatal. Please protect your family and the community by vaccinating and disposing of your pet's faeces on walks to reduce environmental contamination.

***If your dog is unvaccinated/partially vaccinated and is showing any of these symptoms, contact the vet clinic (08 8853 7273). Please do not enter, call us and we will meet you at the car until otherwise determined.***

**A huge thank you to Meredith from the Port Vincent Newsagency for her continued support of our Progress Association.**

**Meredith sponsored our recent "Find Father Christmas" competition. We had 15 entries, and the first correct entry drawn was Lila Short.**

**Left is a photo of Lila receiving her voucher from Meredith.**

# FRASER ELLIS MP

MEMBER FOR NARUNGGGA

## [Health Petition Inquiry is open – lodge a submission](#)

The SA Parliament's Economic and Finance Committee late last year called for submissions to the formal Inquiry into our health services that was by law, triggered by the lodging of our petition in 2023 with its near 11,000 signatures.

So, whilst it has been some two and a half years since we launched our health petition, finally we have the outcome we aimed for – a formal Inquiry by the Parliament and a valuable opportunity to have our say and ultimately, instigate system change!

This wonderful outcome would not have been possible without the support of a lot of community-minded people across the Narungga electorate who signed and circulated sheets and did so purely because they care about country health care.

It was the largest petition ever undertaken in our electorate's history, and to have it referred to the Parliament's Economic and Finance Committee for investigation is also a ground-breaking first.

The next, vital step is to lodge as many submissions to the Inquiry as possible. Regional hospitals must be relied upon to provide appropriate care, and Wallaroo Hospital especially, being our growing region's major facility, desperately needs an upgrade and more beds and staff to better support associated hospitals including Maitland and Yorketown.

I encourage all who have had interaction with our local health – good or bad – to make a submission; closing date to have submissions in is 7 February 2025 (5 pm). It is hoped this timing will also capture the attention of our thousands of visitors who holiday with us who I'm aware are also passionate about local health service delivery.

Inundating the committee with submissions will appropriately reflect the unprecedented, high and wide level of community concern felt about local health services.

The action we take now is in support of our hard-working doctors, nurses and volunteer ambos who are under the pump in a stretched system in dire need of additional resourcing; and is also for all who reside in our region who need and deserve the reassurance of having an appropriate level of health services at hand when needed.

Submissions can be posted to The Parliamentary Officer, Economic and Finance Committee, GPO Box 572, Adelaide SA 5001, or emailed to [EFC.Assembly@parliament.sa.gov.au](mailto:EFC.Assembly@parliament.sa.gov.au)

Please call my office for more information (including the Inquiry's terms of reference), or visit [www.fraserellis.com.au](http://www.fraserellis.com.au)

**And finally, Happy New Year to all – and special congratulations to all involved in the running of another very successful Port Vincent Gala Day on 1 January. Your efforts are very much appreciated!**

## TIDY TOWNS REPORT

# WOW, WHAT A GALA DAY

This year, Tidy Towns' involvement differed from previous years as our main focus this year was rubbish removal, aided by the assistance of some excellent volunteers. This process proved more successful compared to what we used to do, but it will just need some tweaking to make it even better for us.

Our days leading up to Gala Day have involved a very busy period of recycling, and we must thank all community members that contribute to our program.

Bennett Park is starting to look like a park instead of the jungle that took over the walking trails throughout it. Many thanks to all those involved. So, next time you walk past the park, venture in and see the change that their efforts have made.

We are always on the lookout for new members, so keep in mind that you don't have to be a permanent resident of Port Vincent to join Tidy Towns, as we have several members that live in Adelaide and can still offer some assistance on Tuesdays when they are in town. Feel free to drop in and offer any assistance you can, and we start work 8-8:30am each week.

The rabbits seem to more active in various areas around town, so we plan to be involved in the Calicivirus program that the NRM will commence in January.

Rainfall has been a bit of a talking point of late, and I would like to provide some details.

Lowest rainfall recorded at Pt Vincent since records commenced in 1898 is 2024, with 176.4 eclipsing the previous lowest of 188.0 in 1914. The highest was in 1946 at 669.9, with 188.9 recorded in February, 1946.

## GALA DAY HOME BREWING COMPETITION

After a few years of not being run, the Gala Day Home Brewing Competition made a welcome return for the first time since 2020. We had a good selection of entries, and our judges were impressed by the overall quality of entries.

This year we have also been fortunate to have the event sponsored by **Moonta Homebrew Supplies**.

After careful deliberation, our judges awarded the following:-

Donna Hillard-Aldridge - Best Draught

Clinton Wood -Best Stout

Des Chambers- Best Dark Ale

***Des also picked up the "Best Overall" prize***

The winners were presented with their gift vouchers from Moonta Homebrew Supplies, 59b George St, Moonta.

**Right:**

**Two of the 2025 Gala Day Home Brewing Competition winners, Donna and Des, congratulating themselves.**

**Our thanks to Moonta Homebrew Supplies and our competition judges for their participation in this year's Home Brewing Competition, and we look forward to running it again in 2026.**

# Senior Citizens Club News

Members each week enjoy a fun-filled afternoon playing bowls or cards, followed by a delicious afternoon tea.

On December 10th, members travelled to Maitland for our Christmas get-together. We had lots of fun and fellowship, followed by a sumptuous two course meal.

Members finished the year on a high note on December 17th with our usual games of bowls and cards. There is always lots of laughter and good competition to be had by all each week.

During our games, members were surprised by a visit from Father Christmas, bearing gifts, which were greatly appreciated by all.

Members then enjoyed a delicious Christmas afternoon tea of sausage rolls, sandwiches, cream puffs, Christmas cake and fresh fruit.

New members are welcome to join our lively club. We meet every Tuesday at around 1.15pm, and meetings resume on **Tuesday, February 4th**.

Every first Tuesday of the month, members enjoy a lunch followed by games of bowls and cards.

# \*\*\*FISHING REPORT\*\*\*

Well, a new year is here, and despite all of my (and other's) pleading for fishers to not take undersized crabs, the photo below was given to me by a Port Vincent resident. It quite clearly shows undersize blue crabs have been taken (the shells were found on the beach). I hope that this wasn't done by a member of our community, but whoever is responsible, I have two pieces of advice. Sooner or later you will get caught, and secondly, do not come back to Port Vincent as we do not want you here.

Now for the fishing report. Garfish are as thick as I have seen them for a long time. It is easy to catch a feed from the shore as well as from the boat.

King George are around, but not in big numbers, and you may have to make a few shifts to get a feed.

Blue crabs are a little quiet, but should pick up again in the coming weeks.

Yellowfin have not appeared in any numbers, but a few hot days should see them improve.

Squid have slowed down, but a feed is still obtainable if you put in the time.

Tight Lines

Wayne Crouch

**Editor's Comment:** If you see any undersize fish being taken, please contact FishWatch.

## ST NEOT'S ANGLICAN CHURCH (Ministry District of Yorke Peninsula)

### Happy New Year to all

Once again, Gala Day was a successful day at St. Neots op shop. Thank you to the donations left at the door and coming in. We are now back to our normal trading :-

Saturday 9.30 am—12.30pm    Tuesdays 10 am—12 noon

As this goes to print, Church dates/times will be found on the church door. Services are usually on the 2nd and 4th Sundays. It's still ongoing as we are waiting for a new District Priest, which takes time.

Summertime and no rain does not help the garden, so if you have any spare time drop by the Community Garden and do a little watering, thank you.

### A Prayer for New Year

Grant Lord, that as the years change, we may find rest in your changelessness. May we meet the new bravely, sure in the faith that, while people may come and go, and life changes around us, you are always the same, guiding us with your wisdom and protecting us with your love; through our Saviour Jesus Christ. Amen

## The New Year: New Beginnings

As we welcome the New Year, it's an ideal time to embrace change and focus on our personal growth and development.

Change can sometimes feel overwhelming, but adopting a healthy approach can allow you to navigate it with confidence. Start by prioritising your physical and mental health. Regular exercise, mindfulness, and proper nutrition can help enhance your resilience to life's shifts.

All change requires our nervous system to adapt, so giving our body every chance to function at its best is vital. Enough sleep, eating well and nutritiously, and engaging in physical activity helps your nervous system to respond and adapt to changing stimuli.

Visiting a chiropractor supports your body to maintain proper function, reducing tension, improving sleep and supporting a healthy nervous system, which all plays a vital role in managing stress and physical strain.

Use this season as an opportunity to reflect, set realistic goals, and remain flexible. Life's challenges are inevitable, but with the right mindset and a healthy body, you'll be equipped to make this year a transformative and fulfilling journey.

Having looked at all the light displays in Port Vincent, they have made the following decisions, and have awarded the following:

1. Novelty - Melanie, Curramulka Rd.
2. Kids Choice - Jayden, Kooringa St.
3. Community - Pt. Vincent Caravan Park and Seaside Cabins

Special mention goes to Donald and Eddie, Boon Lane.

# Port Vincent Sailing Club

It has been a good season so far. All the farmers have finished harvest and have dusted off their boats and are back sailing. We had a shared Christmas dinner after our last race before Christmas. It was well attended and very social.

Now we are getting to the busy part of the season. January 12 is a Women's Helm race when the female crews get a chance to show off their skippering skills. January 25, 26 and 27 is the Vincent Open Classic. Yachts will compete in several Bay races and one longer race, maybe to Stansbury, depending on the weather. Spectators will be able to see most of the racing from the shore of the Club. In February, we have State Titles and the biggy, The King of the Gulf. Quite a few bigger boats from Adelaide come over for a weekend of racing.
