We would like to Introduce to the community the PVPA Committee for the 2018/2019 Year:

President-	Michelle Twelftree
Vice President-	Trevor Clerke
Secretary-	Pam Hickman
Treasurer-	Beth Fairlie
Committee Members-	Sue Pike, Julie Adams, Cara Mullen, Carolyn Jansons, Linda McCabe, Chris Key, Louise Biddell, Jan LeFeurve, Greg Shaw.

We would like to thank the outgoing committee members, **Vanessa Germein** and long serving committee member **John Launer** for their contribution to the PVPA during their terms.

As we move forward we aim to continue working towards making improvements around the community and planning for the future – If you have any suggestions, feedback, or concerns, please contact a member or look for the suggestion boxes around the community and place your submission in the box; these will be shared and discussed at future meetings.

We understand that as a community we always have Wants & Needs, it is our job as the elected team of town representatives to be the ones to prioritize these projects and co-ordinate how and when we can action them. Due to financial constraints we aren't always able to get projects off the ground quickly, we rely heavily on Grant Opportunities and Fundraising to cover the expenses associated with any projects that we co-ordinate. On that note we would like to thank all the community for the support that we have received in the past and we hope that the community will continue to support us into the future.

We look forward to seeing what the year ahead brings for our committee and our Beautiful little Town.

Michelle Twelftree

VOTES OF THANKS

A lot of people work “behind the scenes” to produce A Focal Point, to ensure that we can “spread the word” about our beautiful town.

A sincere “thank you” to Sue Pike who edited the August edition of A Focal Point while I was in warmer climates!

Also, it would be remiss of me not to mention KADINA FREIGHT—the courier company who assist us each month with pick up and delivery of our printed publication from Fraser Ellis’s office. Kadina Freight can assist with parcel delivery to and from our peninsula. Please check their Facebook site—<https://www.facebook.com/KadinaFreightService/> or ring Kendall on 0418 859 695.

Lastly, Rosemary from Fraser Ellis’s office—thank you for your support in ensuring that the printing of our publication is always completed within our scheduled timeframe!

VENTNOR HOTEL “PARMA FOR A FARMER”

On Friday 18th August 2018 Ventnor Hotel hosted “Parma for a Farmer” to help support our farmers in this terrible drought that they are living through.

For each Schnitzel sold \$5.00 was donated to the cause.

105 Schnitzels were sold, giving a total of \$525.00. Well done Port Vincent residents and visitors alike. A great support for a great cause.

Ventnor Hotel will top up the funds to make \$750.00.

A great night, great food, good service and funds raised for farmers.

Thank you Shane and Staff for a great evening.

Sue Pike

ASSISTS – One, a boat unable to restart 4 pob. 3km North of Port Vincent marina. Seahound and 2 crew despatched and located 6m boat with a flat battery, then towed into marina. All okay.

Members away on holiday during July and August during a quiet period.

VMR/SAPOL Audit of SAF10 assets will be held in September. At this inspection, our 2 rescue vessels Orontes Star and Seahound will be checked, along with 3 private members' vessels for use in VMR Search & Rescue. Namely: John Hall, Mark Parsons and Eddy Kadlecek.

SAF10 is pleased to advise that the replacement new leg has been fitted to Orontes Star. We have been running with a "loan" leg since February, supplied by Mortons.

We are now only a month away from better weather and the busy fishing season of spring. We advise all boaties to check their equipment - motor, battery, electrics and safety gear - before launching after winter storage. Batteries are critical..... as is 'stale fuel' in the tank.

9 members will be attending the Squadron Board Meeting and Presentation lunch at CYC North Haven.

SAF10 members offer their condolences to our member Geraldine McAskill in the sad passing of her husband Gerald.

PORT VINCENT RSL SUB BRANCH AUGUST 2018 REPORT

Hello fellow Port Vincentonians, hope this weather finds you happy and enjoying life. Unfortunately a few of our members are feeling a bit under the weather following colds, flus and wogs. But none are worse than those that have had slips and falls and broken bones, bruised parts of their anatomy and been screwed together or had to have an operation for other medical reasons.

To you all, the members of the RSL send their well wishes and thoughts, encouraging and promoting your return to wellness and your normal lifestyle.

Some of you may know if you get the Country Times , the Port Vincent RSL was fortunate enough to achieve a DVA Centenary of Armistice Grant that was organized and vetted by Mr. Rowan Ramsay MP , our Federal member, whom we thank very much . This money will be used for purchasing glass display cabinets, lighting and mannequins for displaying uniforms.

As this is the 100th Year anniversary of Armistice Day (now called Remembrance Day) the emphasis is on WW1 memorabilia for display. Some in the community may wish to loan or donate Great Grandpa/Grandma's uniform, badges, cooking utensil or other items such as letters diaries from WW1. Everything will be labelled and recorded in our Master Logbook, and in the case of letters , they would be copied and returned within a day.

The museum will still be open on Thursdays and Saturday's at 1000 to 1200 whilst we assemble cabinets, move things around and erect displays. Everyone is welcome to drop in and have a look, chat and enjoy a cup of tea and coffee. Sometimes on a good day biscuits or cake will be available (depending who is cooking).

On our Social side we had a schnitzel day and the food and comradeship was wonderful. It is wonderful when some of the regular cooks can't help and fellow members drop in to do a great job. Perry Woodward was one of those who volunteered to help and ended up cooking all the schnitzels, and what a good job he did. To all who help with our events, from the people attending – a big THANK YOU.

Anyone in town can join the RSL, current and ex servicemen and women, family members and those that have an interest in and believe in the RSL .

Our meetings are held on the fourth Monday of the month at 1400hrs, followed by a social time after all business is concluded.

BLUE BUSH NOTES

The club welcomed a big attendance of 18 members and one visitor on August 13. Lots of chatter and laughter filled the room as members settled down to the exercise part of our morning. Lots of deep breathing, stretching and some groaning started a good day for participants.

Gathering our welcoming cuppas, members sang our Greeting Song and listened to the previous minutes read by Jane. A special treat was delicious homemade biscuits made by Robbie. Thanks Robbie. Yummy!

Menus and activities were agreed upon for the next meeting to be held on August 27. Jane made us laugh with comical snippets from a newspaper - members all seem to look forward to this segment. We then broke off into groups - some with playing cards, some making cards and some happily chatting and enjoying a game of Snakes and Ladders.

Warming and hearty mornays provided by Virginia, Shirley and Jeanette were enjoyed by all for our lunch. Once again Jeanette outdid herself with a beautifully presented and very large birthday sponge. This was to help Sylvia celebrate reaching the grand age of 92. A posy of flowers (from Jeanette's garden) and a handmade card, signed by members, was given to Sylvia along with a small treat.

Special thanks to Robbie for all his washing up, and also to all kitchen helpers finishing a most enjoyable and happy day at Blue Bush.

J.C.

Attention to anyone thinking of joining our great little group. We have great fun, do a little exercise, eat very well and laugh a lot. Please feel free to join us for a look around.

Meetings are held every second and fourth Monday of the month at the Institute's supper room.

Hope to see you all very soon.

THE SOUTH AUSTRALIAN COUNTRY WOMEN'S ASSOCIATION INC Port Vincent Branch

The August meeting was the first held on the second Thursday (changed from Wednesday) of the month where members showed photos and told stories about the pets they have or had over the years.

On 8th August President Kathleen Smith and Wendy Sims attended Ardrossan branch's 72nd birthday party at the Price Hotel and five branch members attended Port Victoria branch's 80th birthday celebration on 15th August.

At the recent the Spencer Group Annual Meeting, Kathleen Smith and Helen Joraslafsky were re-elected as Group President and Secretary/Treasurer.

SACWA officers travelled to Port Vincent on 27 August to conduct a Training session about all things SACWA for members of all branches in Spencer Group. It was followed the next day by a basket making workshop using natural garden resources.

Six members are looking forward to volunteering in the SACWA Country Café at the 2018 Royal Adelaide Show.

Craft days are still well attended by those who are interested.

Planning is well underway for the March 2019 State Council which will be held at Port Vincent.

Port Vincent branch's 37th birthday will be celebrated at the 13th September meeting, with a pooled lunch, guests from Minlaton branch and a guest speaker.

Meetings are held at the Senior Citizens hall on the second Thursday of the month, starting at 1.30 pm. Guests are most welcome. Please contact President, Kathleen Smith on 0428 746 018 or Secretary, Helen Joraslafsky on 0419 001 420 for more information.

TIDY TOWN'S REPORT

The past couple of months has seen the Tidy Town's Group experience some highs and some very low experiences, with the departure of a long serving member and the sudden death of our Chairman.

On the 12th June we held a morning tea to wish Graham Agnew and his wife Phyl farewell from Port Vincent, as they embarked on a new journey with their retirement to Strathalbyn. Graham had been a member of Tidy Towns for many years and Phyl had been on the Committee as Secretary and Minute taker. The Group presented them with a gift to remind them of our town.

On that same day whilst partaking the traditional lunch after work at the Ventnor Hotel Trevor Treis, our Chairman suddenly collapsed and sadly passed away on the 13th. Trevor had been involved in Tidy Towns for some time and had been Chairman for 4 years, and he will be a great loss to the Group.

Trevor's dedication to the Group and to the Town as a whole will be sorely missed. Evidence of how much Trevor was respected by members of the Community was shown by the large number of people who attended his funeral.

Trevor was a true Gentleman.

John Francis has stepped into the role of Chairman and we are slowly getting back into our daily routines.

Des Chambers—Secretary

Happy 7th birthday to Miss Carolyn Grace Spiers!

Carolyn recently celebrated her 7th birthday with a "Dress Up" under the sea themed party with some of her school friends. She dressed up as a mermaid. Carolyn is pictured here, with her friends gathered around, just after she blew out the candles on her mermaid birthday cake.

PORT VINCENT FISHING REPORT

The wind has been a bit of a deterrent to boaties during July/August. Crews have found King George Whiting a bit difficult to catch of late. There have, however, been some reports of catches, but in deep water.

Yellow fin whiting are being caught on the back beach.

2 crews have even managed to catch crabs—*although this was in deep water about 5-6km offshore.*

We will reopen on Tuesday 4th September—we hope to see you in our store!

U3AYP NEWS

U3AYP AGM NEWS

A very successful AGM was held on Monday 30th July with 50 people attending. It was held at Maitland in the Uniting Church Hall and the morning began with attendees gathering for morning tea. In this time members and guests were able to socialise and view displays of courses and learn more about these and new course to be introduced. A PowerPoint presentation showcased many of the events and courses from the past year, this certainly highlighted the diversity of courses and members' enjoyment.

Reports from our president Hans and program coordinator Helen highlighted the successful year our voluntary organisation had. A report from course leader Sue Williams on the Photography course included and PowerPoint presentation of participants very impressive and creative photos.

Our guest speaker was SAPOL Senior Constable Jennifer Winen from Maitland Police Station. She presented a most interesting talk on the her many roles in SAPOL, especially as a country officer. The audience had many questions and the session was most informative.

The new management committee includes president Heather Simpson, secretary Jean Wheare, treasurer Nancy Rawlings, Sue Mulraney, Shirley Trevena, Wendy Loveridge, Hans Ruis, Peter Thomas, Rod Jarvis and program coordinator Helen Tucker.

NEW COURSES

Several new courses are soon hoped to be introduced, to add to the diverse range of the existing program.

Flora and Fauna – soon to go ahead with more information to come. There will be a course in Kadina and in Minlaton.

Labelling – learning to make labels on your computer – Ardrossan.

Free Drawing – creating drawings on your computer – Ardrossan.

Coffee and Conversation Course – Moonta.

ONGOING COURSES

At the beginners Mah Jong course recently a new member from Port Vincent attended in readiness for playing at Minlaton in the future. If in the future there were people interested in joining U3AYP to play this brain stimulating game, a group could play at Port Vincent. Some sixty people across the Peninsula are now playing Mah Jong through learning with U3AYP.

ANNUAL BUS TRIP

This event is certainly a highlight of the U3AYP year! This year will be no exception. The day begins early, heading to Dublin for a delicious morning tea, organised by members. Then we are off to the ABC at Collinswood to Go behind the Scenes with a guided tour of the ABC studio. This will be of great interest to many of us who are loyal ABC listeners. Lunch will be at the Tregenna Café at the ABC venue. Then there is a choice to visit the Classic Jet Fighters Museum at Parafield OR Garden Grove Supplies. Something for everyone! Always a popular event for members.

Once again, a reminder Member Registration is \$30 per financial year, this entitles you to attend as many courses as you wish, where vacancies exist. Please feel free to contact any member below with any questions or enquiries.

Narungga August Update

There was some good news this week with eight local sporting groups in our electorate sharing approximately \$120,000 in facility and equipment funding from the State Government's Sport and Recreation Active Club grant program (Round 45). Projects include court resurfacing, lighting and irrigation systems for ovals and new equipment and program support. This is a very competitive program, and I am pleased to advise applications for Round 46 have opened already so please re-submit if you were unlucky this time around (closing date 26 September; info at <http://ors.sa.gov.au>).

Community organisations can also now apply for grants of up to \$50,000 through the State Government's Grants SA program, aimed to assist not-for-profit organisations deliver community projects - be they upgrading a facility, holding an event, purchasing equipment or funding volunteer training. Visit www.dhs.sa.gov.au/grantsSA for more information.

The application process for the State's Regional Growth Fund described in my last column (grants between \$50,000-\$2 million) closes on 31 August (info www.pir.sa.gov.au/regionalgrowthfund); and the SA Healthy Towns Challenge fund (up to \$50,000 projects) closes on 10 September (www.sahealth.sa.gov/SAHealthyTowns). I'm informed these programs have been very popular.

With the introduction of the Statutes Amendment (Mineral Resources) Bill 2018 into Parliament on 2 August, I had scheduled a response Mining Legislation Public Forum in Maitland for 29 August. However, I have postponed this event pending availability of additional speakers and outcomes of continued consultation. Please watch this space for further information on this topic.

I have been pleased this month to continue to be kept busy meeting with locals and attending events, highlights including the NAIDOC celebrations at Point Pearce where I was privileged to speak about the achievements of local indigenous women; the official opening of the Copper Coast Sport & Leisure Centre with Deputy Prime Minister Michael McCormack; the centenary of Wallaroo RSL branch; the ceremony for 98-year-old Mr Ed Ebsary at Bute to receive RSL's highest honour, the Meritorious Service Medal (an achievement I was also honoured to highlight in a speech to Parliament); and at a day in Snowtown last week meeting members of the Snowtown Community Management Group, local traders, Lower North Health Advisory Council members, and touring the Snowtown Hospital and the Tilt Renewables Snowtown Wind Farm.

Coming weeks will be just as hectic and will include the handing down of the first budget by the Marshall Liberal Government; hosting separate visits to Yorke Peninsula by Tourism Minister the Hon. David Ridgway MLC (22 Aug) and the Minister for Regional Development & Primary Industries the Hon. Tim Whetstone MP (21 Aug); and a day on SYP (27 Aug) for meetings with locals at Marion Bay, Yorketown, Edithburgh and Minlaton.

For assistance with State issues, don't hesitate to contact the Narungga electorate office on 88322 455; email narungga@parliament.sa.gov.au

The office is open Monday to Friday 9am – 5pm.

"Praise" by Patience Strong

Let us give praise where praise is due——
How often praises are withheld, as we go down our ways —
You don't know what a word may mean —a word of praise sincere —
It may inspire a breaking heart with thoughts of hope and cheer.....
And when we lift our eyes and see the beauty all around —
The trees that gaze up at the skies—the bright flowers on the ground—
Our hearts must thrill with gratitude, with ecstasy and love —
as we behold the glory of the earth and heaven above —
The forests and the oceans and the golden stars that blaze —
Reveal the great Creator—and our hearts are fired with praise.
